

# VANTAGE DRAGON MMA-MIG/MAG-TIG HELMET

cod. 802614

Automatic helmet mask ideal for TIG, MIG-MAG and MMA welding with darkening adjustment (DIN 9-13). The LCD liquid crystal filter automatically darkens when the welding arc is running and quickly returns to its transparent status when the arc is switched off; this means the operator does not need to lower and raise his mask during operations and allows him to work always with both hands freely. It is also possible to adjust the filter sensitivity to accommodate different welding processes. Main features: light and comfortable to wear, adjustable automatic darkening filter, solar cell powered, transparent glass protection filter. glass protection 90x110mm Kit 2 pcs cod. 802654.
